EDUCATION

Georgia Institute of Technology Expected May 2029
B.S. in Electrical Engineering | Atlanta, GA | GPA: 3.39
Relevant Coursework: Circuit Analysis (ECE 2040), Digital System Design (ECE 2020), Introduction to Computing in Python (CS 1301)

Dunwoody High School – Finance Academy 2024 – 2025
Two-year business program: corporate finance, marketing, entrepreneurship, and AP Macroeconomics.

PROJECTS

Microcontroller & Embedded Electronics Projects 2026 – Present
C++, Arduino, ESP32, Tinkercad, Fusion 360
- Program Arduino and ESP32 microcontrollers in C++, and design, wire, and debug the supporting circuits
- Model circuits and 3D parts in Tinkercad; currently teaching myself Fusion 360 for mechanical CAD

Steam Library Analyzer & Chatbot Spring 2026
Python, Streamlit, pandas, Steam Web API, Google Gemini API
- Built a multi-page Streamlit web application that retrieves a user's profile and game library from the Steam Web API given a Steam ID
- Displayed the user's most-played games with playtime visualizations using pandas and Streamlit charts
- Integrated the Gemini API to power a chatbot that answers questions about the user's library using live Steam data
- Managed API keys through Streamlit secrets and handled rate limits, private profiles, and invalid IDs

Custom PC Design and Build 2021 – Present
- Researched and specified components, assembled a gaming PC, and have continued to upgrade it over time

LEADERSHIP & ACTIVITIES

Theta Xi Fraternity, Georgia Tech – Service & Philanthropy Chair 2026 – Present
- Plan service opportunities for chapter brothers, including sorority service mixers and nursing home visits
- Create and run fundraising events benefiting Habitat for Humanity, the fraternity's national philanthropy
- Draft donor outreach letters and coordinate with partner organizations and campus groups

Campus Outreach – Leadership Project Summer 2026
- Selected for a three-week leadership development program focused on team building and personal growth
- Independently raised $1,650 in program support over a few months through personal outreach to donors

Additional Activities
Beach Volleyball Club, Georgia Tech • DUMC Youth Group College Leader • Dunwoody High School Varsity Football, three-year starter and letterman (2022 – 2025)

WORK EXPERIENCE

Georgia Tech Alumni Association – Roll Call Caller Fall 2026 – Present
Atlanta, GA
- Call Georgia Tech alumni to raise support for Roll Call, the Institute's unrestricted annual fund
- Build rapport with alumni over the phone, share campus updates, and ask for gifts in a clear, professional way

Jaxon's Tennis Racquet Stringing – Manager 2021 – 2025
Dunwoody, GA
- Manage orders, inventory, and touchless customer drop-off/pick-up while the owner attends West Point
- Maintain and update the business website

Earlier Experience
Horizon Windows, Installation Labor (2022) • Rent-A-Teen, Landscaping (2021)

SKILLS

Programming: C++ (Arduino, ESP32), Python (pandas, requests, Streamlit), REST API integration, LLM API integration (Gemini)
Engineering: Circuit analysis and wiring, microcontroller programming, digital logic design
CAD & Tools: Tinkercad, Fusion 360 (learning)
Organizational: Event planning, fundraising and donor outreach, inventory and order management
